## EXPERIENCE

### Full Stack Web Development Teaching Assistant | Ironhack - Remote Nov 2022 - Present

- **Project Development Facilitation:** Provided valuable tips, detailed explanations, and comprehensive debugging support to enhance students' coding skills. Actively guided students through the entire project development process, offering assistance in organization, planning, task prioritization, and troubleshooting.
- **Classroom Collaboration and Engagement:** Collaborated with the teacher and colleagues to organize class activities, fostering a conducive learning environment. Actively maintained a high level of student engagement, promoting collaboration among students and creating a supportive learning atmosphere.
- **Student Performance Evaluation and Holistic Support:** Monitored and assessed student performance by diligently reviewing homework submissions, delivering constructive and personalized feedback to improve code quality, addressing queries, and infusing empathy, support, encouragement, and fun into the students' learning progression, ensuring a holistic learning experience.

### Department Manager | Weekday - Amsterdam 2019 - Aug 2022

- **Statistical and Financial Management:** Ensured operational precision by maintaining accurate statistical and financial records, contributing to informed decision-making and strategic planning.
- **Fashion Trend Insight:** Proposed innovative insights and ideas based on contemporary fashion trends, demonstrating a keen understanding of market dynamics and customer preferences.
- **Team Leadership and Performance Management:** Led a dynamic 12-member team by setting a high standard through personal example. Monitored and reviewed both staff and store performance on a daily basis, fostering a culture of continuous improvement and achievement.
- **Operational Efficiency:** Executed daily store operations, including opening and closing procedures, with a focus on efficient cash management. Demonstrated a commitment to seamless and secure financial transactions.

### Department Manager | Zara Italia - Trieste, Merano, Bolzano 2009 - 2018

- **Visual Merchandise and Product Management:** Led visual merchandise efforts, staying updated on industry trends for enhanced product visibility. Provided personal insights aligned with current fashion trends, creating a dynamic product presentation.
- **Team Development and Management:** Managed recruitment, selection, and training, fostering a skilled and motivated staff for a collaborative work culture.
- **Strategic Merchandise Handling:** Handled recurring deliveries, optimizing inventory levels based on sales evaluations. Collaborated on novel merchandise strategies with area and national managers.
- **Efficient Operation and Positive Environment:** Oversaw efficient operations and HR management, ensuring a positive work culture and productivity.
